Heart of a Woman celebrates the strength, humor, love and intuition of women through original short stories, poems and quotations that rekindle the spirit and touch the soul.

Author Sheryl Roush is an internationally top-rated speaker touring nationally to support **Heart of a Mother** and **Heart of a Woman** book sales. She is also previously published. A professional member of the National Speakers Association, Sheryl has hired two public relations teams for publicity and print promotions of the newly released publications. PR efforts include interviews on television and nationally syndicated radio shows, postcards, internet, speaking and book signing events.

As a child, my Aunt Della was like a mother to me who nourished me with her chocolate chip cookies. I remember the warm feelings when I smelled the batch of her fresh baked cookies. In Heart of A Mother, Sheryl Roush and her contributors have captured those same kinds of feelings, feelings that will warm your heart and bring your 'mother' close again. It's a great read."
Wally Amos - The Cookie Man and Author, Be Positive

Heart of a Mother is cherished collection of quotations, tributes, poems, and original stories celebrating mothers, single and stay at home moms, mothers of Marines, adopted and foster children. Enjoy selections on pregnancy, miracle babies, christening, becoming a parent, kid's rules, dinner time, holidays, teenagers, going away to college, becoming a grand-mother, four-legged children, and having headstrong love for your children.
